13.01 General Principles.

13.01.1 Entertainment. A member institution may provide entertainment (per Bylaws 13.6.6 and 13.7.2), at a scale comparable to that of normal student life and not excessive in nature, to a prospective student-athlete and his or her immediate family members. Entertainment of other relatives or friends of a prospective student-athlete is prohibited. (Revised: 1/9/06)

13.01.2 Institutional Responsibility in Recruitment. A member of an institution’s athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

13.01.3 Off-Campus Recruiting. In-person, off-campus recruiting is limited to authorized athletics department staff members, and limitations may be placed on the number of staff members who are permitted to recruit off campus. (See Bylaws 11.5 and 13.1.2.1.1.)

13.01.4 Recruiting by Representatives of Athletics Interests. Representatives of an institution’s athletics interests (as defined in Bylaw 13.02.12) are prohibited from making in-person, off-campus recruiting contacts or telephone calls with a prospective student-athlete or the prospective student-athlete’s relatives or legal guardians. On-campus contact is permitted, as are written communications. Recruiting contacts by representatives during a prospective student-athlete’s official visit are confined to campus (see Bylaw 13.6.6.1). (Revised: 1/11/00 effective 8/1/00)

13.01.5 Eligibility Effects of Recruiting Violation. The recruitment of a student-athlete by a member institution or any representative of its athletics interests in violation of the Association’s legislation, as acknowledged by the institution or established through the Association’s enforcement procedures, shall result in the student-athlete becoming ineligible to represent that institution in intercollegiate athletics. The Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for his or her involvement in a violation of NCAA regulations during the student’s recruitment and involvement in a major violation (see Bylaw 19.02.2.2) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution. (Revised: 5/13/11)

13.02 Definitions and Applications.

13.02.1 Community Engagement Activity. A community engagement activity is an activity in which a member institution participates for the primary purpose of enhancing the community, rather than benefiting the institution. The institution must be able to demonstrate how the engagement of the institution’s resources (e.g., its student-athletes, its facilities) is meeting a specific identified community need or show how the use of its aforementioned resources links the institution to an overall school-wide community support strategy. The defining element of a community engagement activity is the clear intent of the member institution to provide value to the community. [D] (Adopted: 1/8/07 effective 8/1/07, Revised: 6/22/11)

13.02.1.1 Application. A community engagement activity shall not be considered recruiting for purposes of securing a prospective student-athlete’s enrollment and ultimate participation in the institution’s intercolle-
giate athletics program, provided the institution obtains written approval from its chancellor or president (or his or her designee) confirming the activity meets the definition of a community engagement activity set forth in Bylaw 13.02.1. Therefore, the recruiting regulations set forth in Bylaw 13 do not apply when institutional staff members (including spouses and other family members), representatives of the institution’s athletics interests and student-athletes are engaged in community engagement activities with prospective student-athletes, except for the following: [D] (Adopted: 1/8/07 effective 8/1/07, Revised: 4/11/07, 6/22/11)

(a) A community engagement activity may not take place during a dead period; and

(b) A representative of the institution’s athletics interests is limited to participating in community engagement activities with prospective student-athletes when all prospective student-athletes reside within a 100-mile radius of the location of the community engagement activity.

13.02.1.2 NCAA or Conference Community Engagement Activity. The NCAA or a member conference may conduct a community engagement activity, provided a representative of the organization documents that the intent of the activity is to provide value to the community. A community engagement activity conducted by the NCAA or a member conference shall not be subject to the limitations set forth in Bylaw 13.02.1.1. (Adopted: 10/22/13)

13.02.2 Competition Site. The “competition site” is the facility in which athletics competition is actually conducted, including any dressing room or meeting facility used in conjunction with the competition.

13.02.3 Contact. A contact is any face-to-face encounter between a prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s) and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., positions himself/herself in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete’s educational institution or at the site of organized competition or practice involving the prospective student-athlete or the prospective student-athlete’s high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of whether any conversation occurs. However, an institutional staff member or athletics representative who is approached by a prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s) at any location shall not use a contact, provided the encounter was not prearranged and the staff member or athletics representative does not engage in any dialogue in excess of a greeting and takes appropriate steps to immediately terminate the encounter. (Revised: 1/11/94 effective 8/1/94, 10/20/03, 4/29/04, 1/9/06)

13.02.4 Contact and Evaluation Periods.

13.02.4.1 Contact Period. A contact period is that period of time when it is permissible for authorized athletics department staff members to make in-person, off-campus recruiting contacts and evaluations.

13.02.4.2 Evaluation Period. An evaluation period is that period of time when it is permissible for authorized athletics department staff members to be involved in off-campus activities designed to assess the academic qualifications and playing ability of prospective student-athletes. No in-person, off-campus recruiting contacts shall be made with the prospective student-athlete during an evaluation period.

13.02.4.3 Quiet Period. A quiet period is that period of time when it is permissible to make in-person recruiting contacts only on the member institution’s campus. No in-person, off-campus recruiting contacts or evaluations may be made during the quiet period.

13.02.4.4 Dead Period. A dead period is that period of time when it is not permissible to make in-person recruiting contacts or evaluations on or off the member institution’s campus or to permit official or unofficial visits by prospective student-athletes to the institution’s campus. The provision of complimentary admissions to a prospective student-athlete during a dead period is prohibited, except as provided in Bylaw 13.7.2.4 for a prospective student-athlete who visits an institution as part of a group. During such a dead period, a coaching staff member may not serve as a speaker at or attend a meeting or banquet at which prospective student-athletes are in attendance, except as provided in Bylaws 13.1.9 and 13.1.9.1, and may not visit the prospective student-athletes’ educational institutions. It remains permissible, however, for an institutional staff member to write or telephone prospective student-athletes during such a dead period. (Revised: 1/11/94)

13.02.5 Enrolled Student-Athlete. An enrolled student-athlete is an individual whose enrollment was solicited by a member of the athletics staff or other representative of athletics interests with a view toward the student’s ultimate participation in the intercollegiate athletics program. Any other student becomes a student-athlete only when the student reports for an intercollegiate squad that is under the jurisdiction of the athletics department.

13.02.6 Evaluation. Evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospective student-athlete, including any visit to a prospective student-athlete’s educational institution (during which no contact occurs) or the observation of any practice or competition at any site at which the prospective student-athlete participates. (Revised: 1/10/91 effective 8/1/91)

13.02.7 Home. In general, a prospective student-athlete’s “home” is the prospective student-athlete’s legal residence, or the community of the educational institution in which the prospective student-athlete is enrolled while residing there.
13.02.8 National Letter of Intent. The National Letter of Intent referred to in this bylaw is the official document administered by the Collegiate Commissioners Association and used by subscribing member institutions to establish the commitment of a prospective student-athlete to attend a particular institution.

13.02.9 Prospective Student-Athlete. A prospective student-athlete is a student who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete, if the institution provides such an individual (or the individual’s relatives or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever occurs earlier): (Revised: 1/11/89, 1/10/90)

(a) The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any institution’s regular academic year (excluding summer); or

(b) The individual participates in a regular-squad practice or competition at a four-year collegiate institution.

13.02.10 Recruiting. Recruiting is any solicitation of a prospective student-athlete or a prospective student-athlete’s relatives [or legal guardian(s)] by an institutional staff member or by a representative of the institution’s athletics interests for the purpose of securing the prospective student-athlete’s enrollment and ultimate participation in the institution’s intercollegiate athletics program.

13.02.10.1 Recruited Prospective Student-Athlete. Actions by staff members or athletics representatives that cause a prospective student-athlete to become a recruited prospective student-athlete at that institution are: (Revised: 1/10/90, 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)

(a) Providing the prospective student-athlete with an official visit; (Adopted: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)

(b) Having an arranged, in-person, off-campus encounter with the prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s); (Adopted: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94, Revised: 1/9/06)

(c) Initiating or arranging a telephone contact with the prospective student-athlete, the prospective student-athlete’s relatives or legal guardian(s) on more than one occasion for the purpose of recruitment; or (Revised: 1/11/94 effective 8/1/94 for those students entering a collegiate institution on or after 8/1/94)

(d) Issuing a National Letter of Intent or the institution’s written offer of athletically related financial aid to a prospective student-athlete. (Adopted: 1/9/06)

13.02.11 Recruiting or Scouting Service. A recruiting or scouting service includes any individual, organization, entity or segment of an entity that is primarily involved in providing information about prospective student-athletes. A recruiting or scouting service may include: (Adopted: 1/15/14)

(a) Any service that provides information only to paid subscribers;

(b) Any service that is only available to a select group of individuals (e.g., coaches), regardless of whether there is a charge associated with the service; or

(c) Any service that provides information to the public free of charge.

Any individual, organization, entity or segment of an entity that provides information about prospective student-athletes incidental to its primary purpose and is generally available to the public (e.g., news media), is not considered a recruiting or scouting service.

13.02.12 Representative of Athletics Interests. A “representative of the institution’s athletics interests” is an individual who is known (or who should have been known) by a member of the institution’s executive or athletics administration to:

(a) Have participated in or to be a member of an agency or organization, including corporate entities (e.g., apparel and equipment companies), promoting the institution’s intercollegiate athletics program; (Revised: 1/14/02)

(b) Have made financial contributions to the athletics department or to an athletics booster organization of that institution;

(c) Be assisting or to have been requested (by the athletics department staff) to assist in the recruitment of prospective student-athletes;

(d) Be assisting or to have assisted in providing benefits to enrolled student-athletes or their families; or

(e) Have been involved otherwise in promoting the institution’s athletics program.

13.02.12.1 Representative of Athletics Interests. Once an individual is identified as such a representative, the person retains that identity indefinitely.

13.02.13 Telephone Calls. All electronically transmitted human voice exchange (including videoconferencing and videophones) shall be considered telephone calls. Any other form of electronically transmitted correspondence (e.g., electronic mail, facsimiles) shall not be considered telephone calls (see Bylaw 13.4). (Adopted: 1/10/95, Revised: 1/9/96 effective 8/1/96, 1/14/97, 1/14/08 effective 8/1/08)
13.02.14 Visits by Prospective Student-Athletes.

13.02.14.1 Official Visit. An official visit to a member institution by a prospective student-athlete is a visit financed in whole or in part by the member institution. (See Bylaw 13.6.)

13.02.14.2 Unofficial Visit. An unofficial visit to a member institution by a prospective student-athlete is a visit made at the prospective student-athlete's own expense. The provision of any expenses or entertainment by the institution or representatives of its athletics interests shall require the visit to become an official visit, except for expenses or entertainment permitted per Bylaw 13.7.2. Payment of any other transportation expenses, other than those permitted in Bylaw 13.5.3, shall be an institutional violation but shall not cause the visit to become an official visit provided the prospective student-athlete makes restitution (see Bylaws 13.5.3 and 13.7). (Revised: 4/29/04, 7/24/07)

13.1 Contacts and Evaluations.

Recruiting contacts (per Bylaw 13.02.3) and telephone calls with a prospective student-athlete (or the prospective student-athlete's relatives or legal guardians) by institutional staff members and/or representatives of the institution's athletics interests are subject to the provisions set forth in this bylaw. (Revised: 1/10/91 effective 7/1/91)

13.1.1 Contactable Prospective Student-Athletes.

13.1.1.1 High School Prospective Student-Athletes. In-person, off-campus recruiting contacts and telephone calls shall not be made with a prospective student-athlete or a prospective student-athlete's relatives or legal guardians before June 15 immediately preceding the prospective student-athlete's junior year in high school. (Revised: 1/10/91 effective 7/1/91, 1/11/94 effective 3/15/94, 1/10/95, 1/14/97, 1/12/99, 1/11/00 effective 8/1/00, 1/14/12 effective 6/15/12; for any prospective student-athlete entering his or her junior year in high school 6/15/12 and thereafter)

13.1.1.2 Four-Year College Prospective Student-Athletes. An athletics staff member or other representative of the institution's athletics interests shall not make contact with the student-athlete of an NCAA or NAIA four-year collegiate institution, directly or indirectly, without first obtaining the written permission of the first institution's athletics director (or an athletics administrator designated by the athletics director) to do so, regardless of who makes the initial contact. If permission is not granted, the second institution shall not encourage the transfer and shall not provide athletically related financial assistance to the student-athlete until the student-athlete has attended the second institution for one academic year. If permission is granted to contact the student-athlete, all applicable NCAA recruiting rules apply. (See Bylaw 13.1.6 for legislation regarding contacts and Bylaw 13.1.3.1 for legislation regarding telephone calls.) (Revised: 1/10/91, 1/16/93, 1/11/94, 1/10/05 effective 8/1/05, 1/9/06, 1/14/12 effective 6/15/12; for any prospective student-athlete entering his or her junior year in high school 6/15/12 and thereafter)

13.1.1.2.1 Hearing Opportunity. If the institution decides to deny a student-athlete's request to permit any other institution to contact the student-athlete about transferring, the athletics director (or his or her designee) shall inform the student-athlete in writing, within 14 consecutive calendar days from receipt of a student-athlete's written request, that he or she, on request, shall be provided a hearing conducted by an institutional entity or committee outside of the athletics department (e.g., the office of student affairs; office of the dean of students; or a committee composed of the faculty athletics representative, student-athletes and nonathletics faculty/staff members). The notification of the hearing opportunity shall include a copy of the institution's policies and procedures for conducting the required hearing, including the deadline by which a student-athlete must request such a hearing. The institution shall conduct the hearing within 30 consecutive calendar days of receiving a student-athlete's request for the hearing. (Adopted: 1/11/94, Revised: 1/8/07 effective 8/1/07, 1/14/08 effective 8/1/08)

13.1.1.2.2 Student-Athlete Withdrawn From Four-Year College. A member institution may contact a student-athlete who has withdrawn officially from a four-year collegiate institution without obtaining permission from the first institution only if at least one academic year has elapsed since the withdrawal.

13.1.1.2.3 Transfer From Institution on Probation. It is not necessary for an institution to obtain permission in writing to recruit a student-athlete at an institution that has been placed on probation with sanctions that preclude it from competing in postseason competition during the remaining seasons of the student-athlete's eligibility. However, the student-athlete's institution must be notified of the recruitment and may establish reasonable restrictions related to the contact (e.g., no visits during class time), provided such restrictions do not preclude the opportunity for the student-athlete to discuss transfer possibilities with the other institution [see Bylaw 14.8.1.2-(c)]. (Adopted: 1/10/92)

13.1.1.2.4 Transfer While Ineligible Due to Positive Drug Test. If a student-athlete who is declared ineligible due to a positive drug test administered by the NCAA transfers to another NCAA institution, the institution from which the student-athlete transferred must notify the new institution of the student-athlete's ineligibility (see Bylaws 18.4.1.5.1 and 18.4.1.5.2). (Adopted: 1/14/97 effective 8/1/97)
13.1.2 Permissible Recruiters.

13.1.2.1 Authorized Staff Members. All in-person, off-campus recruiting contacts with a prospective student-athlete or the prospective student-athlete's relatives or legal guardian(s) shall be made only by authorized athletics department staff members. Such off-campus contact by representatives of an institution’s athletics interests is prohibited. [D] (Revised: 1/10/05, 6/22/11)

13.1.2.1.1 Off-Campus Recruiters. An institutional staff member is not permitted to recruit off campus until he or she has been certified on an annual basis as to knowledge of applicable recruiting rules per Bylaw 11.5.1.1. However, institutional staff members (e.g., faculty members) may contact prospective student-athletes for recruiting purposes on campus or within the locale of the institution’s main campus during the prospective student-athlete’s official visit. [D] (Adopted: 1/10/92 effective 8/1/93, Revised: 1/10/05, 1/9/06 effective 8/1/06, 3/22/06, 6/22/11)

13.1.2.2 General Exceptions. This regulation is not applicable to:

(a) Admissions Program. Off-campus recruiting contacts made by an institution’s regular admissions program representative and directed at all prospective students including nonathletes.

(b) Coach Who Is Prospective Student-Athlete’s Parent or Legal Guardian. Recruiting contact and evaluation limitations do not apply to a coaching staff member who is the parent (or legal guardian) of a participant in any activity being observed (e.g., practices, contests or camps), provided the attendance by the coaching staff member at such activity does not involve any personal contact with any other participating prospective student-athlete. (Revised: 1/10/95, 1/14/97 effective 8/1/97)

(c) Spouse of Prospective Student-Athlete’s Coach. Recruiting contact and evaluation limitations do not apply to a coaching staff member observing a contest that involves prospective student-athletes coached by his or her spouse, provided the attendance by the coaching staff member at such a contest does not involve any personal contact with any prospective student-athlete participating in the contest. (Adopted: 1/11/94)

(d) Established Family Friend/Neighbor. Contacts made with a prospective student-athlete by an established family friend or neighbor, it being understood that such contacts are not made for recruiting purposes and are not initiated by a member of an institution’s coaching staff.

(e) Spouse, Other Family Members and Significant Other of Staff Member. 
   (1) On or Off Campus. A spouse, other family members (e.g., children) and a significant other of an institutional staff member on or off campus. (Revised: 1/8/07 effective 8/1/07)
   (2) Off Campus During Official Visit. A spouse, other family members (e.g., children) and a significant other of an athletics department staff member during a prospective student-athlete’s official visit and within the locale of the institution’s main campus during the prospective student-athlete’s official visit. (Revised: 1/8/07 effective 8/1/07)

(f) Interpreter. An interpreter present during an institution’s in-person, off-campus contact with a prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s), provided that if the institution is involved in making the arrangements for the use of the interpreter, the interpreter must be a faculty member or a professional interpreter. It is not permissible for the interpreter to be an enrolled student-athlete, a family member of an enrolled student-athlete or a representative of the institution’s athletics interests. (Adopted: 1/11/97, Revised: 1/9/06)

(g) Unavoidable Incidental Contact. An unavoidable incidental contact made with a prospective student-athlete by representatives of the institution’s athletics interests, provided the contact is not prearranged by the representative or an athletics department staff member, does not take place on the grounds of the prospective student-athlete’s educational institution or at the sites of organized competition and practice involving the prospective student-athlete or the prospective student-athlete’s team (i.e., high school, preparatory school, two-year college or all-star team), is not made for the purpose of recruitment of the prospective student-athlete, and involves only normal civility.

(h) Permissible Pre-enrollment Activities. Contacts between a prospective student-athlete and a representative of the institution’s athletics interests regarding permissible pre-enrollment activities (e.g., a discussion of summer-employment arrangements that occurs after the prospective student-athlete’s signing of the National Letter of Intent).

13.1.2.3 Other Restrictions, Representatives of the Institution’s Athletics Interests. The following are additional restrictions that apply to representatives of the institution’s athletics interests:

(a) Observing Prospective Student-Athlete’s Contest. A representative of the institution’s athletics interests may view a prospective student-athlete’s athletics contest on his or her own initiative, subject to the understanding that the representative of the institution’s athletics interests may not contact the prospective student-athlete on such occasions;
Evaluation of Prospective Student-Athlete. A representative of the institution’s athletics interests may not contact a prospective student-athlete’s coach, principal or counselor in an attempt to evaluate the prospective student-athlete; and

Visiting Prospective Student-Athlete’s Institution. A representative of the institution’s athletics interests may not visit a prospective student-athlete’s educational institution to pick up film/videotape or transcripts pertaining to the evaluation of the prospective student-athlete’s academic eligibility or athletics ability.

13.1.2.4 Student-Athlete. The following conditions apply to recruiting activities involving enrolled student-athletes: [(Revised: 1/10/05, 4/21/09)]

(a) Off-Campus Contacts. Off-campus, in-person recruiting contacts between enrolled student-athletes (or other enrolled students) and a prospective student-athlete are permissible if such contacts do not occur at the direction of a coaching staff member or a representative of the institution’s athletics interests. If unavoidable incidental contact occurs between a student-athlete and a prospective student-athlete (even at the prospective student-athlete’s high school), such contact is permissible, provided the institution had no prior knowledge of the occurrence of the contact. [D] [(Adopted: 4/21/09, Revised: 6/22/11)]

(b) Transportation and Expenses. An institution may not provide an enrolled student-athlete with transportation or expenses to recruit a prospective student-athlete, except those expenses specified in Bylaw 13.6.6.5 when the student-athlete serves as a student host. [(Revised: 1/10/05, 4/21/09)]

(c) Written or Electronically Transmitted Correspondence. It is permissible for an enrolled student-athlete to engage in written or electronically transmitted correspondence with a prospective student-athlete, provided it is not done at the direction and/or expense of a coaching staff member or a representative of the institution’s athletics interests. [D] [(Adopted: 4/21/09, Revised: 6/22/11)]

(d) Interaction During a Community Engagement Activity. It is permissible for an enrolled student-athlete to engage or interact (e.g., contact, telephone calls) with a prospective student-athlete at the direction of a coaching staff member, provided the engagement or interaction is a part of a community engagement activity and the student-athlete does not miss class, except for class time missed in conjunction with away-from-home competition. [(Adopted: 4/21/09)]

13.1.2.5 Talent Scout. An institution may not pay any costs incurred by an athletics talent scout or a representative of its athletics interests in studying or recruiting prospective student-athletes. An institution may not provide any such person a fee or honorarium and thereby claim the person as a staff member entitled to expenses money. [D] [(Revised: 1/10/05, 6/22/11)]

13.1.2.5.1 Employment Prohibition. An institution may not employ an individual for the primary purpose of recruiting or evaluating prospective student-athletes and designate the individual as a coach, if he or she does not reside in the institution’s general locale. Such an individual would be considered an athletics talent scout rather than a regular institutional staff member. [D] [(Revised: 6/22/11)]

13.1.2.5.2 Expense Prohibition. An institution may not pay expenses (other than meals provided in the institution’s home community) for representatives of its athletics interests to visit its campus for the purpose of becoming familiar with the institution’s academic and athletics programs and campus facilities in order to represent the institution better when recruiting prospective student-athletes. The provision of such expenses would be considered payment of costs incurred by athletics talent scouts. [D] [(Revised: 6/22/11)]

13.1.3 Telephone Calls to Prospective Student-Athletes.

13.1.3.1 Time Period for Telephone Calls—General Rule. Telephone calls to a prospective student-athlete [or the prospective student-athlete’s relatives or legal guardian(s)] shall not be made before June 15 immediately preceding the prospective student-athlete’s junior year in high school; thereafter, there shall be no limit on the number of telephone calls made by institutional staff members to a prospective student-athlete [or the prospective student-athlete’s relatives or legal guardian(s)]. 13.1.3.2 Additional Regulations.

13.1.3.2.1 During Conduct of Athletics Contest. Telephone calls to a prospective student-athlete [or the prospective student-athlete’s relatives or legal guardian(s)] may not be made during the conduct of any of the institution’s intercollegiate athletics contests in that sport from the time the institution’s team reports on call at the competition site at the direction of the coach until the competition has concluded and the team has been dismissed by the coach. [(Revised: 1/16/93, 1/9/96, 4/28/09)]

13.1.3.2.2 Telephone Calls Initiated by Prospective Student-Athlete at Prospective Student-Athlete’s Expense. 13.1.3.3.1 Institutional Staff Members. In all sports, institutional staff members may make telephone calls to a prospective student-athlete [or the prospective student-athlete's relatives or legal guardian(s)] in accordance with the provisions of this bylaw. (Revised: 1/10/95, 1/9/96 effective 8/1/96, 1/9/06)

13.1.3.4 Nonpermissible Callers.

13.1.3.4.1 Enrolled Students and Student-Athletes. Enrolled student-athletes or other enrolled students shall not make or participate in telephone calls to prospective student-athletes at the direction of a coaching staff member or financed by the institution or a representative of its athletics interests; however, they may receive telephone calls at the expense of the prospective student-athlete after July 1 after the completion of the prospective student-athlete's junior year in high school. (Revised: 1/10/91 effective 7/1/91)

13.1.3.4.1.1 Admissions Program Exception. Telephone calls made by enrolled students in accordance with an institution's regular admissions program directed at all prospective students shall be permissible. (Revised: 1/10/91 effective 7/1/91)

If several students host a prospective student-athlete, the $30-per-day entertainment money may be used to cover the actual and necessary expenses incurred by the prospective student-athlete and all hosts. Only one student host per prospective student-athlete may be provided a free meal if restaurant facilities are used. [D] (Revised: 1/10/92, 1/16/93, 1/9/96 effective 8/1/96, 1/13/03 effective 8/1/03, 6/22/11)

If a boat, snowmobile, recreational vehicle or similar recreational equipment (including those provided by an institutional staff member or a representative of the institution’s interests) is used to entertain a prospective student-athlete or the prospective student-athlete’s relatives or legal guardian(s), the normal retail cost of the use of such equipment shall be assessed against the $30-per-day entertainment figure; further, if such normal retail cost exceeds the $30-per-day entertainment allowance, such entertainment may not be provided. The institution’s athletics department or representatives of its athletics interests may not be involved in any way with the arrangements for the visit, other than providing (in accordance with established policy) free admissions to an athletics event on a group basis, rather than personally to the prospective student-athlete. [R] (Revised: 6/22/11)
13.8 Entertainment, Reimbursement and Employment of High School/College-Preparatory School/Two-Year College Coaches.

13.8.1 Entertainment Restrictions. Materials (e.g., clipboards, file folders) may be provided to each person attending the clinic, provided the items are included in the registration or admission fee. No athletics department staff member may be employed (either on a salaried or a volunteer basis) in any capacity by a camp or clinic established, sponsored or conducted by an individual or organization that provides recruiting or scouting services concerning prospective student-athletes. This provision does not prohibit an athletics department staff member from participating in an officiating camp where participants officiate for, but are not otherwise involved in, a scouting services camp. [D] (Adopted: 1/11/89, Revised: 1/10/90, 1/10/92, 6/22/11)

13.12.2.5.2 Other Noninstitutional Privately Owned Camps/Clinics. An institution’s athletics department personnel may serve in any capacity (e.g., counselor, guest lecturer, consultant) in a noninstitutional, privately owned camp or clinic, provided the camp or clinic is operated in accordance with restrictions applicable to institutional camps (e.g., open to any and all entrants, no free or reduced admission to any individual who has started classes for the ninth grade). In the sports of football and basketball, participation in such camps/clinics is limited to the institution’s summer- vacation period. [D] (Adopted: 1/12/04 effective 8/1/04, Revised: 4/23/04, 6/22/11)

(a) The camp or clinic is designed to develop fundamental skills in a sport (rather than refine the abilities of skilled participants in the sport);
(b) The camp or clinic is open to the general public (except for restrictions in age or number of participants);
(c) The camp or clinic is conducted primarily for educational purposes and does not include material benefits for the participants (e.g., awards, prizes, merchandise, gifts);
(d) Participants do not receive a recruiting presentation; and
(e) All participants reside in the state in which the camp/clinic is located or within 100 miles of the camp/clinic.

13.12.2.5.2.2 Exception—Noncoaching Athletics Staff Members With Department-Wide Responsibilities. A noncoaching athletics staff member with department-wide responsibilities may present an educational session at a noninstitutional, privately owned camp/clinic that is not operated in accordance with the restrictions applicable to institutional camps/clinics, provided the staff member does not make a recruiting presentation. (Adopted: 1/9/06)

13.13 High School All-Star Games.

13.13.1 Coach Involvement. A member institution shall not permit any coach or athletics department staff member directly involved in the recruiting of student-athletes to participate (directly or indirectly) in the management, coaching, officiating, supervision, promotion or player selection of any all-star team or contest involving interscholastic players or for those who, during the previous school year, were members of high school athletics teams. [D] (Revised: 1/13/03 effective 8/1/03, 6/22/11)

13.13.1.1 Previous Contractual Agreement. If a coach has made a contractual commitment to coach in a high school all-star game before being employed by a member institution and then becomes a member of the institution’s coaching staff before the game is held, the coach shall be permitted to honor the contract provided participation in the all-star contest occurs prior to the coach commencing employment with the member institution.

13.13.2 Use of Institutional Facilities. A member institution’s facilities shall not be made available for a high school all-star game unless the provisions of Bylaw 13.11.3.3 are met. [D] (Revised: 1/10/05, 6/22/11)

13.13.3 Use of Institutional Equipment. It is not permissible for an institution to provide its athletics equipment to a prospective student-athlete (e.g., for use in a high school all-star game). [D] (Revised: 1/10/05, 6/22/11)

13.14.2 Visiting a Prospective Student-Athlete. A member institution's athletics department staff member may visit a prospective student-athlete or the prospective student-athlete's relatives or legal guardian(s) at any location for recruiting purposes. However, on any such visit, the staff member may not expend any funds other than the amount necessary for his or her own personal expenses.

13.14.3.1 Published Recruiting Services. An institution may subscribe to a regularly published scouting service involving prospective student-athletes, provided this service is made available to all institutions desiring to subscribe and at the same fee rate for all subscribers. The service must also provide information regarding each prospective student-athlete in a standardized format that ensures consistent distribution to all subscribers. Live or individualized oral reports do not satisfy this requirement. [D] (Revised: 6/22/11, 1/15/14)

13.14.3.2 Video Services. An institution may subscribe to a service that provides scholastic and/or nonscholastic video. The institution may not contract with the service in advance to have a particular contest videotaped, and the service must be available to all institutions at the same cost. Off-campus observation of a prospective student-athlete on a videotape made available by a scouting service is considered an evaluation activity and is subject to applicable evaluation regulations. [D] (Revised: 1/13/98, 6/22/11, 1/19/13 effective 8/1/13)

13.14.4 Slush Funds. An institution shall not permit any outside organization, agency or group of individuals to use, administer or expend funds for recruiting prospective student-athletes, including the transportation and entertainment of, and the giving of gifts or services to, prospective student-athletes or their relatives, legal guardian(s) or friends.

13.14.5 Alumni Organizations. Bona fide alumni organizations of an institution may sponsor luncheons, teas or dinners at which prospective students (athletes and nonathletes) of that immediate locale are guests. A member institution's area alumni organization may be considered a bona fide part of that institution, provided such an organization is accredited by the president or chancellor of the institution and meets these additional terms and conditions: [D] (Revised: 10/3/05, 6/22/11)

(a) A staff member of the institution periodically shall inspect the financial records of the alumni organization and certify that the expenditures comply with the rules and regulations of the NCAA and the conference(s), if any, of which the institution is a member; and

(b) A club official shall be designated by the president or chancellor as the institution's official agent in the administration of the club's funds. The club official shall file regular reports to the institution relating the manner in which the club funds have been spent in the recruiting of student-athletes. (Revised: 10/3/05)

13.14.5.1 Subject to NCAA Rules. When an alumni organization is certified by the president or chancellor as being a bona fide part of the institution, said organization becomes subject to all of the limitations placed upon the member institution by NCAA legislation. A violation of such legislation by any member of the alumni organization shall be a violation by the member institution. [D] (Revised: 10/3/05, 6/22/11)

13.15 Precollegiate Expenses.

13.15.1 Prohibited Expenses. An institution or a representative of its athletics interests shall not offer, provide or arrange financial assistance, directly or indirectly, to pay (in whole or in part) the costs of the prospective student-athlete's educational or other expenses for any period before his or her enrollment or so the prospective student-athlete can obtain a postgraduate education. [R] (Revised: 1/10/05, 1/9/06, 6/22/11)

(D) (Revised: 1/8/07 effective 8/1/07, 6/22/11)

13.15.1.6.2 **Nonathletics Equipment.** An institution or conference may provide nonathletics equipment (e.g., a computer) to a high school or bona fide youth organizations (e.g., YMCA, YWCA, Boy Scout troops, Girl Scout troops, summer recreation league), provided the issuance of equipment is in accordance with the institution's or conference's regular policy regarding the discarding of equipment.
